NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 30 JUNE 2022

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The financial statements cover Northern Rivers General Practice Network (NSW) Limited as an individual entity. Northern Rivers General Practice Network (NSW) Limited is a "not-for-profit" company limited by guarantee incorporated and domiciled in Australia.

Basis of Preparation

The financial statements are general purpose financial statements that have been prepared in accordance with Australian Accounting Standards – Simplified Disclosures issued by the Australian Accounting Standards Board (AASB) and the *Australian Charities and Not-For-Profits Commission Act 2012*. The company is a not-for-profit entity for financial reporting purposes under Australian Accounting Standards.

Significant accounting policies adopted in the preparation of these financial statements are presented below and have been consistently applied unless otherwise stated.

The financial statements, except for the cash flow information, have been prepared on an accruals basis and are based on historical costs, modified, where applicable, by the measurement at fair value of selected non-current assets, financial assets and financial liabilities. The amounts presented in the financial statements have been rounded to the nearest dollar.

The financial statements were authorised for issue on 2nd February 2023 by the directors of the company.

New or amended Accounting Standards and Interpretations adopted

The Company has adopted all standards which became effective for the first time at 1 July 2021, the adoption of these standards has not caused any material adjustments to the reported financial position, performance or cash flow of the Company.

The following Accounting Standards and Interpretations are most relevant to the Company:

Conceptual Framework for Financial Reporting (Conceptual Framework)

The Company has adopted the revised Conceptual Framework from 1 July 2021. The Conceptual Framework contains new definition and recognition criteria as well as new guidance on measurement that affects several Accounting Standards, but it has not had a material impact on the Company's financial statements.

AASB 1060 General Purpose Financial Statements - Simplified Disclosures for For-Profit and Not-for-Profit Tier 2 Entities

The Company has adopted AASB 1060 from 1 July 2021. The standard provides a new Tier 2 reporting framework with simplified disclosures that are based on the requirements of IFRS for SMEs. As a result, there is increased disclosure in these financial statements for auditor's remuneration and other minor areas.

NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 30 JUNE 2022

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONT'D)

Going Concern

Under Australian Accounting Standards, financial statements are to be prepared on the going concern basis when the company is expected to:

- i) be able to pay its debts as and when they fall due
- ii) continue in operation without any intention or necessity to liquidate or otherwise wind up its operations.

The directors of the company are currently considering the future strategic direction of the organisation and its activities. Consequently, there is uncertainty as to the company's ability to continue as a going concern.

Accounting Policies

a) Income Tax

No provision for income tax has been raised as the company is exempt from income tax under Division 50 of the *Income Tax Assessment Act*.

b) Goods and Services Tax

Receivables and payables are stated with the amount of GST included.

Revenues, expenses and assets are recognised net of the amount of goods and services tax (GST), except where the amount of GST incurred is not recoverable from the Australian Tax Office (ATO).

The net amount of GST recoverable, or payable to, the ATO is included as a current asset or liability in the statement of financial position.

Operating cash flows are included in the statement of cash flows on an overall gross basis. The GST component of cash flows arising from investing and financing activities which are recoverable from, or payable to, the ATO are classified as operating cash flows.

c) Provisions

Provisions are recognised when the company has a legal or constructive obligation, as a result of past events, for which it is probable that an outflow of economic benefits will result and that outflow can be reliably measured. Provisions recognised represent the best estimate of the amounts required to settle the obligation at the end of the reporting period.

NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 30 JUNE 2022

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONT'D)

d) Cash and Cash Equivalents

Cash and cash equivalents includes cash on hand, deposits held at call with financial institutions, other short-term, highly liquid investments with original maturities of three months or less and bank overdrafts. Bank overdrafts are disclosed as borrowings in current liabilities on the statement of financial position.

e) Trade and Other Receivables

Trade and other receivables are recognised at amortised cost, less any allowance for expected credit losses. All trade debtors are recognised at the amounts receivable as they are due for settlement no more than 30 days from the date of recognition.

f) Trade and Other Payables

Accounts payable represent the liability outstanding at the end of the reporting period for goods and services received by the company during the reporting period which remain unpaid. The balance is recognised as a current liability with the amounts normally paid within 30 days of recognition of the liability.

g) Contract liabilities

Contract liabilities represent the company's obligation to transfer goods or services to a customer and are recognised when a customer pays consideration, or when the company recognises a receivable to reflect its unconditional right to consideration (whichever is earlier) before the company has transferred the goods or services to the customer.

h) Impairment of Assets

At the end of each reporting period, the entity reviews the carrying amounts of the company's tangible and intangible assets, to determine whether there is any indication of impairment.

If such an indication exists, the recoverable amount of the asset, being the higher of the asset's fair value less costs to sell and value in use, is compared to the asset's carrying value. Any excess of the asset's carrying value over its recoverable amount is recognised in profit or loss.

NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 30 JUNE 2022

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONT'D)

i) Revenue

Revenue from contracts with customers

Revenue is recognised at an amount that reflects the consideration to which the company is expected to be entitled in exchange for transferring goods or services to a customer. For each contract with a customer, the company: identifies the contract with a customer; identifies the performance obligations in the contract; determines the transaction price which takes into account estimates of variable consideration and the time value of money; allocates the transaction price to the separate performance obligations on the basis of the relative stand-alone selling price of each distinct good or service to be delivered; and recognises revenue when or as each performance obligation is satisfied in a manner that depicts the transfer to the customer of the goods or services promised.

Interest

Interest revenue is recognised using the effective interest rate method.

Other revenue

Other revenue is recognised when it is received or when the right to receive payment is established.

j) Financial Instruments

Financial assets are subsequently measured at amortised cost, fair value through other comprehensive income, or fair value through profit or loss, on the basis of the contractual cash flow characteristics of the financial asset and the business model for managing the financial assets.

A financial asset is subsequently measured at amortised cost if it is managed solely to collect contractual cash flows, and the contractual terms within the financial asset give rise to cash flows that are solely payments of principal and interest on the principal amount outstanding on specified dates.

A financial asset is subsequently measured at fair value through other comprehensive income if the contractual terms within the financial asset give rise to cash flows that are solely payments of principal and interest on the principal amount outstanding on specified dates, and the business model for managing the financial asset comprises both contractual cash flows collection and the selling of the financial asset. All other financial assets that do not meet the conditions of amortised cost and the fair value through other comprehensive income's measurement condition are subsequently measured at fair value through profit or loss.

DIRECTORS' DECLARATION
FOR THE YEAR ENDED 30 JUNE 2022

The directors of Northern Rivers General Practice Network (NSW) Limited, declare that:

1. The financial statements and notes are in accordance with the *Australian Charities and Not-For-Profits Commission Act 2012* and:
 - (a) comply with Australian Accounting Standards - Simplified Disclosures; and
 - (b) give a true and fair view of the financial position as at 30 June 2022 and the performance for the year ended on that date.
2. In the directors' opinion there are reasonable grounds to believe that the entity will be able to pay its debts as and when they become due and payable.

This declaration is made in accordance with a resolution of the Board of Directors.

David Glendinning

Dated at Lismore this *2nd* day of February 2023.

Independent Auditor's Review Report to the Members of Northern Rivers General Practice Network (NSW) Limited

Report on the financial report

Opinion

We have reviewed the financial report of Northern Rivers General Practice Network (NSW) Limited ("the Entity"), which comprises the statement of financial position as at 30 June 2022, the statement of profit or loss and other comprehensive income, the statement of changes in equity and the statement of cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies, and the directors' declaration.

Conclusion

Based on our review, which is not an audit, nothing has come to our attention that causes us to believe that the financial report of Northern Rivers General Practice Network (NSW) Limited does not satisfy the requirements of the *Australian Charities and Not-for-profits Commission Act 2012* including:

- a) giving a true and fair view of the Entity's financial position as at 30 June 2022 and of its financial performance and cash flows for the year then ended; and
- b) complying with Australian Accounting Standards – Simplified Disclosures and the *Australian Charities and Not-for-profits Commission Regulation 2013*.

Basis for Conclusion

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our conclusion.

Material Uncertainty Regarding Going Concern

We draw attention to Note 1 to the financial statements, which indicates that the directors are currently considering the future strategic direction of the organisation and this indicates that a material uncertainty exists that may cast significant doubt on the Company's ability to continue as a going concern. Our opinion is not modified in respect of this matter.

Directors' Responsibility for the Financial Report

The directors of the entity are responsible for the preparation of the financial report that gives a true and fair view in accordance with Australian Accounting Standards, the *Australian Charities and Not-for Profits Commission Regulations 2013* and the *Australian Charities and Not-for-profits Commission Act 2012*, and for such internal control as directors determines is necessary to enable the preparation of the financial report that is free from material misstatement, whether due to fraud or error.

In preparing the financial report, directors are responsible for assessing the Entity's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intend to liquidate the Entity or to cease operations, or have no realistic alternative but to do so.

Directors are responsible for overseeing the Entity's financial reporting process.

Auditor's Responsibilities for the Review of the Financial Report

Our responsibility is to express a conclusion on the financial report based on our review. We conducted our review in accordance with Auditing Standard on Review Engagements ASRE 2415 *Review of a Financial Report: Company Limited by Guarantee or an Entity Reporting under the ACNC Act or Other Applicable Legislation or Regulation*, in order to state whether, on the basis of the procedures described, anything has come to our attention that causes us to believe that the financial report does not satisfy the requirements of the *Australian Charities and Not-for-profits Commission Act 2012* including: giving a true and fair view of the entity's financial position as at 30 June 2022 and its performance for the year ended on that date; and complying with the Australian Accounting Standards – Simplified Disclosures and the *Australian Charities and Not-for-profits Commission Regulation 2013*. ASRE 2415 requires that we comply with the ethical requirements relevant to the review of the financial report.

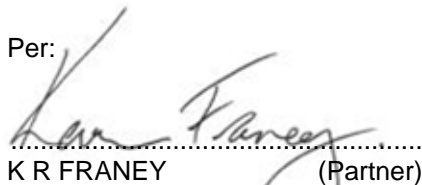

A review of a financial report consists of making enquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Australian Auditing Standards and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

Independence

In conducting our review, we have complied with the independence requirements of the Australian professional bodies.
